March 14, 2020 6:00 pm

Hello Derrick Skating Families,

The City of Edmonton has just announced that all City operated Recreational Facilities will be closing today, March 14, 2020 at 6:00 pm. Please note that we have only received the press release via public channels so we have no answers specifically on how this will continue to affect us. At this time - everyone is being affected and we are trying to gather additional information as it becomes available.

Official press release: <https://myemail.constantcontact.com/News-Release---COVID-19-update--City-to-close-its-recreation-facilities-and-attractions.html?soid=1127191170163&aid=wMGBStU9ZV8>

Since the information and recommendations surrounding COVID-19 are changing daily (and even hourly), our Board is continuing to assess how best to move forward based on the information currently available.

At this time, a decision on how members will receive make up classes or be reimbursed has not been made. As soon as decisions are made, we will be in contact with our member families to communicate class and credit decisions.

Please bear with us as we work through the implications of these closures. Your patience is much appreciated.

Exploding to new heights when steel meets ice!
